"Insert some other definite head - please."

The Regr who was asked to point out some other definite head now states that the cost may be debited to Savings

Savings of Process fees under the head 'Law and Justice'.

I am not sure if even as altered, a proper head in the budget has been made. As far as I understand the new Rules, a formal re-appropriation of the required amount from some head in which savings are expected has to be submitted to Govt through the Comptroller. The procedure is no doubt somewhat complicated and inconvenient; but it is the one that has been prescribed. Perhaps the Comptroller's opinion may be asked.

The procedure to be followed by Heads of Departments and Deputy Comrs of

Districts when they require additional allotments has been prescribed in rules 21 to 24, Part I, Chapter II of the Financial Rules.

In Govt Pro: No: H 1938-80 dt 18.5.03, Heads of Depts are instructed to follow the above procedure when they require additional allotments. In such cases a re-appropriation statement in form 10 appended to the Financial rules should be sent through the Comptroller.

In the present case, the Registrar's attention may be invited to para 3 of Govt Pro: quoted above.

From

V.A.Rajaratna Mudaliar Esquire,

Registrar of the Chief Court of Mysore.

To

H.V.Nanjundayya Esquire, M.A.M.L.,

Secretary to the Government of Mysore,

General and Revenue Departments.

Sir,

The District Judge of Bangalore brings to notice that the cash and ledger books of the Sub Court and the Principal and Additional Munsiffs' Courts, Bangalore, are not written - up to date and that differences are discovered between the - cash and ledger balances. This Court is of opinion that these discrepancies can only be set right by overhauling the accounts of the past several years, to do which a permanent official - of each of these Courts who is versed in Judicial accounts - should be deputed and made to devote his whole time in bringing up the ledgers. As the number of hands in the establishments of these Courts is limited, no official can be spared for this work without prejudice to his legitimate duties. I am therefore directed to request the sanction of Government - for the entertainment of two additional hands on Rs.30 each - for one year in the Sub Court and Principal Munsiff's Court and one on Rs.30 for three months in the Additional Munsiff's Court.

I am to add that it is proposed to employ the temporary hands on the current work deputing an official of the - permanent establishment to the bringing up of the accounts up to date.

The extra cost namely Rs.810 may be met from the --

savings
